1. This part of the prayer deals with \_\_\_\_\_,  
\_\_\_\_\_ and \_\_\_\_\_.
2. There are sins of \_\_\_\_\_ and sins of \_\_\_\_\_.
3. To pray this prayer with an \_\_\_\_\_  
means to actually say, “God do not forgive me because I do not  
forgive those who have hurt me.”
4. Only God sees what is in our \_\_\_\_\_.
5. Because we have been forgiven much we need to  
\_\_\_\_\_.
6. God is the \_\_\_\_\_ of the universe  
where you and I live.
7. God will not bend the rules that have already been set in place  
in His \_\_\_\_\_.
8. God forgives sin, but He also \_\_\_\_\_ sin!
9. God is able to deliver us through the merit, strength and power  
that resides in Him but we must \_\_\_\_\_ with Him.
10. Through \_\_\_\_\_ we touch the heart of God who cares,  
comforts, sustains and strengthens us.”
