### God sets the rules

As Creator, He has the authority to set the rules for His creation and the power to exact the penalty for breaking the rules. He is the One who defines sin because He is the One who will judge sin. He has told us that which pleases Him and that which displeases Him.

Now the choice is up to us to believe and obey.

*"For the LORD is the great God,*

*And the great King above all gods.*

*In His hand are the deep places of the earth;*

*The heights of the hills are His also.*

*The sea is His, for He made it;*

*And His hands formed the dry land". Psalm 95:3-5*

### **WOMEN'S BRUNCH INVITE**

Inviting all women to the Women's Brunch this Saturday at 11:00 am. Guest speaker Yeisie Marie Mateo will be sharing in song and testimony. You can hear Yeisie's latest song "Whole Again" on YouTube. "Whole Again" was born in a moment of despair where she felt as if her heart had been shattered into pieces. She was experiencing a deep sense of loss and betrayal making it virtually impossible to see through the tears. One night, after exhausting all of her resources, she remembers kneeling and crying out to God from the depths of her soul, screaming "that's it, take it all... even the little bit of pride I have left... I'm ready to be made whole again... I know you can do it"! Her testimony is one of God's faithfulness and love.
